

IMPORTANT UPDATE

English PPV SIGNALS

The relabeling of the PPV signals in Step 4c) of Phase 3 in the transition plan to MPEG-4 will still occur in June 2019. However, we will be changing the HDPPV offering of the English PPV signals to BDUs. We believe this change will provide a better experience for your customers such as first run movies and multiple English live events

The French PPV signals will remain as currently outlined in our transition to MPEG-4 documents.

Below are the technical details for the English PPV signals.
